

Improving the health of the people in our communities by
providing quality, compassionate care to everyone, every time

Welcome, Expectant Moms!

During your birth experience, our commitment is to provide exceptional care in a safe environment, while being attentive to maintaining your privacy.

The accomplishment of our commitment is supported by the following guidelines for family and friends who will be sharing your special day:

- ✓ A maximum of 3 support people may be in your room in Labor and Delivery.
- ✓ A maximum of 2 support people may be in your room in triage.
- ✓ Children who visit must be at least 12 years of age and in good health.
- ✓ Siblings of the newborn may visit at any age when in good health and accompanied by an adult, as appropriate.
- ✓ Family and friends will proceed to the waiting room when they are not in your room.
- ✓ Please do not wait in the hallway.
 - Hallways need to be clear in the event of an emergency.
 - The privacy of other patients is compromised when visitors are in the hallways.

Sparrow Hospital is honored by your choice of their services for this very special event. We look forward to participating in the miracle of your baby's birth.

Sincerely,
The OB Services' Staff
