

We hope this letter finds you happy and healthy. We are writing to inform you of an immediate change in your health care at Alliance Obstetrics and Gynecology. Effective immediately, Dr. Melissa Halvorson will no longer be providing services at Alliance Obstetrics and Gynecology. It is very important that you maintain continuous health care. If you have ongoing healthcare concerns, please rest assured that your care will be a priority and will be transferred to another qualified health provider within our group. Your medical record will be readily available to that provider. We are grateful to you for entrusting Alliance Obstetrics and Gynecology with your health over the years. We will continue to partner with you for your optimal health.
